Funding announcement:

received all the money we were looking for other than the vending misers which we are going to fund raise for. The powershift committee received two hundred dollars.

Blackout night

-is going to be co-sponsored by sac and REC recieved 600 dollars funding from them. The fire performers will be back.

Camelympics

-It is this weekend and we are sponsoring an event for the first time which will be held on Friday night. The event is going to be looking at the ratio of dorm lights on to dorm size. Sign ups were held for teams to go around and check the dorms. The exact method for figuring out the ratio is not yet determined.

Concert from Conservation

The school will begin taking account of the energy savings for this event beginning with blackout night in the fall, and will end around blackout night in the spring.

Renovations committee is looking for more members to help and met after the meeting.

If anyone would like to be placed on the mailing list for this sub-committee contact tom.gethin-jones@conncoll.edu

11th hour:

The movie will most likely be held as a fund-raiser in December.
