

REC meeting

Blackout Night

- get iller fire performers next year
- emily says don't call them back
- mm: people didn't get that it was about saving energy
- assign definite tasks for people next year
- actually do "secret mission"
- pretty good turnout, though
- sucked that two of the bands fell through; that was FNL
- make theme clearer
- food was good, thanks sarah and heidi

fundraising summary

orientation workshop & lightbulbs

- ask academic depts
- make piece of paper to go with CFLs to freshmen, spread word, tell how to get involved
- send out mail to incoming frosh about this before they get here, get DoF to mention
- ResLife – send with rent-a-fridge things (find out if rent-a-fridges are energystar)
- make pamphlets for sustainable living
- integrate into "packing list" sustainable things
- Carra, Natalie, and Danielle are Sas
- discuss general stewardship, suggest lifestyle choices, opportunities for activism
- make it fun: skits?
- **Incorporate** into things going on already, makes seem part of life, not separate

next week: treasurer and PR elections
